

**At Legacy Aircraft Instruments we have the capability to repair mechanical, electronic, gyroscopic, electro-mechanical along with an increasing number of light accessory part numbers.**

**We provide Free Written Estimates, please [Request for Quote](#) with a specific part number.**

**Mechanical & Pneumatic Instruments**

- Mach Airspeed Indicators
- Max-Allowable Airspeeds
- True Airspeeds
- Vertical Speed Indicators
- Instantaneous Vertical Speed Indicators
- Altimeters: Encoding, Standard, Cabin, and Ground Station
- Mach Meters

## Power Plant & Electronic Instruments

- Oil Pressure Transmitters
- Fuel Flow Transmitters
- Torque Pressure Transmitters
- Autosyn Systems
- RPM Indicators
- Engine Combination Gauges
- Oil Temperature/Pressure Combination
- Cylinder Head Temperature
- N-1 and N-2 Turbine Tachometers
- Vertical Scales
- Secondary Flight Displays
- Landing Lights

## Gyro-Operated Instruments: Air & Electric

- Auto-pilot Gyros
- Attitude Gyros
- Vertical Gyros
- Directional Gyros
- Flight Director Gyros
- Rate Gyros
- H.S.I.
- Turn Coordinators
- Turn & Slip Indicators

## Fuel Management Systems

- Probes
- Signal Conditioners
- Quantity Indicators
- Status Indicators
- Flow Indicators
- Fuel Dividers
- Fuel Pressure Switches
